## WHO WE ARE

Founded in 2015, backed with profound experience in the field of Electromechanical, MEP has been and still presents a significant recognized standard of contribution in the construction industry.

Since, MEP's founding pillars are "Integrity, Honesty, Authenticity" Devotion", its impact, during the rather short period of its existence in the local market, has been highly praised by clients, success partners as well as the respectable other Players In The Egyptian Market.

Hence, MEP is in constant peruse to thrive and exceed expectations it aspires to engage in rather challenging opportunities domestically and globally, to cater to its clients, by maintaining courage to embrace the constant change in technology.

# VISI

## VISION

Aspiring to be a highly competitive contractor, in the field of Electro-mechanical in the MENA region. Being customer focus and authentic to our success partners as well as sustain the rapid growth and development of the company, with the continued investment in our team members, as we believe in the parallel between company growth and personal growth.

# ON

## MISSION

Pursuing regional recognized existence through the positioning of the company as one of the main contributors in the field by providing engineering services in HVAC, plumbing, electrical, firefighting and low current systems to all buildings types, through delivering significant value to our clients by adopting new trends as well as by challenging conventional thinking and practices of MEP services.

# WE WHAT WE DO!

We are recognized with the advantage of delivering our scope of services by our in-house trained talents in Electromechanical works. However, our scope varies among other fields...

- > Planning
- > Engineering
- > Procurement & Inspection
- > Project Management
- > Installation
- > Testing & Commissioning
- > Operating and Maintenance

A man in a dark suit and blue tie is shown from the chest up, holding a large, flat, brown rock. On top of the rock is a miniature city with various buildings, green trees, and a hot air balloon. The man's hands are visible, holding the rock. The background is a blurred office interior with large windows.

## VALUES

We profoundly believe in "Integrity, Honesty, Authenticity and Devotion" as concrete foundation for our innovative business model.
